Prices are exclusive of 18% GST and freight charges. All Features and Specifications May Be Altered Without Any Prior Notification. Tolerance: 5% In Weight & Dimensions. Images Are for Illustrative Purposes Only; The Actual Product May Vary. We Recommend Fixing the Safe to Prevent Burglars from Carrying It Away. Given enough time, the right tools, a torch, expert skills, and access, any safe can be breached open. The company disclaims all responsibility for any claims, losses, demands, or damages of any kind whatsoever that arise from or as a result of any unlawful breaking into home/office safes, or any theft, fire, robbery, fraud, or other wrongful acts committed by any third party in relation to home/office safes. This includes, but is not limited to, direct, indirect, incidental, or consequential loss or damage, injury, economic loss, or any other outcomes resulting from theft, fire, robbery, fraud, or other wrongful acts committed by any third party. Reference to fire resistance is based on controlled in house tests.
